

THE ROTARY CLUB OF NEW ROCHELLE:

A CENTURY OF FELLOWSHIP AND COMMUNITY SERVICE

Just 14 years after Rotary International was founded in Chicago in 1905, the New Rochelle club formed on April 9, 1919, with members meeting at the Hotel Osborn that had opened in New Rochelle at 44 Franklin Avenue in 1915. *Country Life* magazine described the Osborn in 1920 as a "good family hotel."

The Club received its charter on October 8, 1919 at the Wykagyl Country Club, which had been upgraded to the current building in 1915 from the original Disbrow farmhouse. Reportedly, the founders were among the "Money Hounds" of World War I who had been successful in selling Liberty Bonds to fund the war effort.

Over the years, the New Rochelle Rotary helped found the first Rotary Club in Bermuda in 1920, the Larchmont Club in 1929, and the Pelham Club in 1946.

The Club has contributed to the larger aims of Rotary International through members' dues, donations, and fundraising activities, most importantly, the successful global "Polio Plus" campaign to eradicate polio, a goal that is nearing completion. Since 1985, Rotary and its partners, including the World Health Organization and the Gates Foundation, have helped reduce the number of cases from 350,000 annually to only 29 in 2018.

Ever since its founding, the Rotary Club of New Rochelle and its members have been closely intertwined with the evolution of the City and the creation of important community organizations. When the New Rochelle newspaper, the *Evening Standard*, called for a Chamber of Commerce, Rotarians responded, and the first fifteen directors of the Chamber were all Rotarians. Club members were instrumental in founding the Boys Club of New Rochelle in the wake of the stock market crash in 1929, now the Boys and Girls Club that operates a wide range of programs benefitting children in New Rochelle schools.

A few additional highlights of Club contributions in the last decade include:

- a winter holiday party and summer barbecue for families of children with disabilities, in collaboration with the Parks and Recreation Department;
- promotion of other youth opportunities through scholarships to deserving high school students and very recently, a grant to My Brother's Keeper to support distribution of donated children's books through barbershops and other locations in the community;
- support for health-related initiatives such as the Gift of Life, which offers corrective heart surgery to children in need;

- supporting humanitarian programs such as Hope Community Services meals, coat drives, and holiday events for people in need in New Rochelle and The Cookstove Project in Uganda and Nepal.

Rotary members individually have contributed far more than can be captured in this brief history, through their professional and volunteer service over the years in religious, educational, and humanitarian organizations – fulfilling the Rotary International motto of “Service Above Self.”

Rotary members have also provided leadership in important initiatives for the New Rochelle community such as the establishment of zoning ordinances in the city and the decision in the 1920's to make Glen Island a public recreational park.

A major milestone for the Club was the first admission of women members, soon after the policy of Rotary International changed following a Supreme Court decision in 1987. Patricia Anderson who served for many years with distinction as Director of the New Rochelle Public Library was the first woman member of the Club in 1988, becoming President in 1992, and District Governor in 1998.

Important anniversaries of the Club have been honored with events similar to this 100th anniversary gala. At the time of the 50th Anniversary, in 1969, the *Standard-Star* devoted an entire issue of the newspaper to photos and stories about Rotary Club achievements.

Happy Anniversary To The New Rochelle Rotary Club

50 Years Reflect Members' Devotion To Service Ideals

By Mrs. Barry T. Seane

The 50 years of Rotary in New Rochelle have been marked by the devotion of its members to the service of the community. While Rotary has a long and distinguished record of service, it has also been a pioneer in many ways. It was the first club in the city to be organized, and it has since been a leader in many other ways. Its members have been instrumental in the development of many of the city's most important institutions, and they have been a constant source of help and support to those in need.

Each member of Rotary has a part to play in the service of the community. It is the duty of every member to be a good citizen, to be a good neighbor, and to be a good friend. It is the duty of every member to be a good employer, a good customer, and a good taxpayer. It is the duty of every member to be a good parent, a good teacher, and a good leader. It is the duty of every member to be a good volunteer, a good donor, and a good supporter. All members seek to follow the Rotary four-way test of the things we think, say or do, adopted as a Rotary philosophy in 1943:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?
